RULES & REGULATIONS FOR BLOCK PARTY OR NEIGHBORHOOD EVENT

The permit application for an organized block party or neighborhood event must be completed in full and submitted to Long Beach Police Department for approval at least ten (10) days prior to the scheduled event. Each request for a block party permit will be reviewed on a case by case basis. There shall be a designated "Block Party Coordinator" who will be responsible for collecting signatures, notifying neighbors and working as a liaison with the City of Long Beach. A total of six (6) block parties city-wide will be permitted each weekend, with no more than three (3) in the West End, two (2) in the Canal Section, and one (1) in the Presidents Streets. West End block parties must be separated by a minimum of two avenues. Applications will be considered on a first come first serve basis. Upon approval, you will be informed by mail and a signed copy of the permit will be mailed directly to you. You will also receive "Street Closed" signs.

Summer block parties shall only be permitted on Saturdays (during the hours of 10 a.m. to 10 p.m.). Rare exceptions will be made with written approval from the Police Department. The original petition sheet (supplied) must be filled out properly and accompany the application. A block party requires 75% approval of the residents on the block. Private neighborhood events must have 100% approval of the residents on the block and written approval from the Police Department or City Manager's Office. **ALL RESIDENTS** of the block must be notified of the date and time of the event and supplied with a copy of these rules at least one (1) week prior to the event. **ONLY ONE SIGNATURE PER ADDRESS** will be accepted.

- No parking or standing is permitted across the ends of the street. Only barricades provided by the City may be used to close off the street, allowing easy access for emergency vehicles. Cars found blocking the street may be given a summons and/or impounded.
- Once the Block Party commences, no vehicular traffic is permitted on the street (including the residents, the D.J., or other entertainment providers).
- The Street will re-open at 10 p.m. All music (D.J., band and/or entertainment) must be shut off and cleared from the street by no later than 10 p.m. Any person that does not comply with the 10 p.m. street opening may be cited for violation of Municipal Code Sec. 23-9 (obstructing free passage).
- Fireworks or explosives of any kind will not be permitted at the event.
- Participants must be responsive to noise complaints.
- Participation in a block party does not provide entrance to the Ocean Beach Park. Anyone choosing to use the beach must present a beach pass upon entering and must comply with the rules and regulations of the beach park.
- All underage alcoholic beverage possession laws and the social host ordinance will be enforced.
- Long Beach Police will patrol all Block Parties.

Barricades will be dropped off the Friday before your event and picked up the Monday after your event. The Coordinator must ensure that barricades, traffic cones and other items borrowed by the City of Long Beach are secured and ready for pickup at the designated house listed on the application by 7 a.m. Monday morning. Once determined the city property is free from damage, the deposit check will be shredded. Failure to return city property in the condition it was received will result in forfeiture of the \$75.00 mandatory deposit.

The City Street Maintenance Department will clean your block the morning of the event, once vehicles have been removed. Residents will assume responsibility for setting out recyclables and properly bagged trash on their next regularly scheduled collection day. At the conclusion of the event, the Block Party Coordinator must ensure that the street is clean of garbage and opened to traffic no later than 10 p.m.

The event coordinator will be responsible for closing down the block party immediately ensuring participants vacate the premises, removing barricades and thoroughly removing any event supplies and trash. The City of Long Beach is not responsible for any expenses incurred by the permit holder. Failure to meet the requirements of this permit may provide basis for denial of future permits for a block party.

This permit may be revoked by the Long Beach Police Department or City Manager for any reason with or without cause. All events shall be conducted in accordance with the City of Long Beach Charter and Code of Ordinances. If during the course of the event, the city determines there is a public safety hazard or if there is a violation of any permit condition, the event can be terminated immediately.
